

# USER GUIDELINES FOR GENIALISTIDE FOODSHARING POINT (FSP)

1. You are using the food in the FSP at your own risk
2. Leave only food at the FSP, that is in good condition that you would eat
3. If you have prepared the food yourself, please leave on the container a note with the preparation date, any allergens and if it is vegan
4. Place the dirtier food items, such as root vegetables in the lower shelves of the closet, packaged and cleaner items on top shelves
5. Keep the FSP and its surroundings clean. When needed, please clean it (cleaning supplies are provided on the top of the closet)
6. Don't place food items outside of the FSP
7. Don't leave here foods for which expiry date (kõlblik kuni) has ended!
8. Don't leave expired meat and dairy products

**NB!** If you see the FSP in a bad state or it has been mishandled, please let us know by writing us an e-mail at
